May 31, 2005

Ms. Kristine Adams
Campaign Finance Analyst
Federal Elections Commission
Washington, DC 20463

This letter is in response to your letter of April 29, 2005 requesting additional information regarding the October Monthly Report. We have amended the report to reflect the revised cash-on-hand and revised calculation on Line 8.

We have also provided additional information regarding the contributions to Committee to Reelect Linda Sanchez, Committee to Reelect Denise Majette and Denise Majette for US Senate. The contribution to Committee to Reelect Linda Sanchez was accidentally reported primary, but it was intended to be a general election contribution.

The contributions dated 11/13/03 and 3/4/04 were designated to Denise Majette's congressional campaign. The contributions were made payable to Committee to Re-elect Denise Majette. The contribution dated 9/15/04 was designated for the general election and made payable to Denise Majette for US Senate.

The amended report clarifies the specific names of the recipients of contributions to committees originally listed as Victory 2004.

Schedule E has been amended to disclose the name and office sought, state and district of the federal candidate.

This report has been amended, along with other relevant reports, to reflect the advance payment from Human Rights Campaign PAC to Human Rights Campaign for the future use of corporate services. In addition, the report has been amended to show draws on that advance payment through negative entries on Line 21b and corresponding entries on [Line 23 (in the case of an in-kind contribution) and] Line 24 (in the case of an independent expenditure). In response to your request, the amendments serve to clarify the amounts originally reported and more clearly identify the advance payment used to make each disbursement.

Finally, with regard to reporting of independent expenditures, every effort was made to report on the required schedules. All amounts paid for independent expenditures were disclosed on the regularly scheduled reports.

I hope this additional information answers your questions. Should you need further information, please feel free to contact me at (202) 572-8912.

Sincerely,

Julie Trute
Human Rights Campaign PAC
